The Original SnoBar System, Patented and Field Proven Since 1992!

Free custom quotes based on your project specifications. Approved layouts include free lifetime warranty on parts, performance, and finish. All prices are per linear foot based on 12' bar lengths. SnoBar features the industry's only top-loading 12 ga. stainless steel clamp that allows for quick and easy "no-feed" bar installation. Clamps at every seam for superior load distribution. We offer the shortest lead times in the industry!

Two Bar SnoBar and ColorBar

- Fits most bulb & "T" shaped standing seam roofs
- Available in powder-coated or mill finish, this system installs quickly and easily.
- Works with angled eaves.
- Works with COLORBAR that accepts a color strip or can be powder coated to match.
- Faster Lead Times.
- All aluminum components with stainless steel fasteners.

System Components: Standard System Components Included in Above Linear Foot Price. Galvanized and Aluminum are Cut in 12' Bars, Stainless Steel is Cut in 10' Bars, 1/4" Stainless Steel Set Screws, Black Plastic End Caps (for SnoBar systems), Splice Connectors (for ColorBar systems), Mill Finish Stainless Steel 12 ga. Clamps for every seam, Mill Finish Aluminum ColorBrackets, Self-Tapping Plated Tek Screws, 3/16" Allen Bits. Quantities as needed per project specifications.

Ice Stoppers: Prevent snow and ice from sliding under the bars. For panel widths 17" or less, use one (1) Ice Stopper per panel and for greater than 17", use two (2) Ice Stoppers per panel.

ColorBar: System accepts an optional 10' x 2" color strip or can accept actual metal from the project.

Mill Finish: Slight variations in the mill finish steel are not cause for rejection.

Powder-Coated Systems: Color variations are not cause for rejection. *Non-Standard Colors are subject to surcharge.

PRICES DO NOT INCLUDE FREIGHT CHARGES OR TAX.

TERMS: CHECK IN ADVANCE OR CREDIT CARD (Amex, Disc, Master, Visa)

All prices are subject to change without notice.

Please read "Design Considerations" before installing project.
